Medicaid Reform Passes Appropriations Committee

Tallahassee, Fla. – Florida House Majority Leader Carlos Lopez-Cantera (R-Miami) today issued the following statement regarding the Appropriations Committee’s passing of HB 7107 Medicaid Managed Care and HB 7109 on Medicaid.

“The House Medicaid reform package will make Florida’s Medicaid program more patient-centered, outcome-oriented, and cost-effective.

“Our current Medicaid system is not delivering value for either consumers or taxpayers. By moving to a statewide managed care program, we can deliver better and more stable services, while ensuring costs are controlled.”
